Celebrating with Mediacorp

05:55 AM Feb 21, 2011

MediaCorp held an annual Chinese New Year party for its adopted charity HCA Hospice Care at its premises on Saturday. The beneficiaries tossed the traditional raw fish salad for good fortune with MediaCorp staff, played games hosted by MediaCorp personalities and were treated to performances by the artistes.

On Thursday, 350 senior citizens from 11 voluntary welfare organisations received hong baos from MediaCorp when they were treated to a movie screening of It's A Great Great World.
