On 21 March, HCA Hospice Care celebrated its 25<sup>th</sup> anniversary with a fundraising gala dinner graced by President Tony Tan.

At the gala dinner, we welcomed Dr Tan Poh Kiang as the new HCA President and bid a fond farewell to his predecessor, Dr Seet Ai Mee, who had served for 12 years in the office.

We would like to thank all donors, sponsors, and volunteers who helped raise an amazing \$920,000 and contributed so valiantly to make the event an outstanding one. Below, we re-live the glittering moments of the dinner. ♥
